Agriculture: Food for Life

2018 National Ag Day

Sponsorship Opportunities

agday.org
American agriculture is our country’s foundation. American ag is Food for Life.

The Agriculture Council of America celebrates the hard work and wholesome contributions of our country’s farms and farm families on National Agriculture Day—and has proudly done so for nearly 50 years. Join leading agricultural companies and communities across the country to share the story of American agriculture. Check out our new events and take part in expanded opportunities to get involved.

In the months leading up to Ag Day, individuals involved in agriculture will work with schools, clubs and other community organizations to plan activities to recognize and celebrate the event. These include:

• Lesson plans for classrooms.
• Community breakfasts or similar gatherings.
• Point-of-purchase and on-farm displays.
• Outreach to local legislators and media.

The goal is simple: to establish—or enhance—the understanding of how food, fiber and renewable resource products are made, and through that understanding, build a growing appreciation for the contributions of agriculture as:

• A source for safe, abundant and affordable products
• A positive force in the local, national and global economy
• A vital part of meeting the growing global challenge of hunger
In the classroom

While one single day is officially designated as National Ag Day annually, this actually represents the capstone of a months-long grassroots effort. Across the nation, advocates of agriculture work tirelessly to further awareness and understanding. Your sponsorship of Ag Day helps the ACA to provide fresh materials each year to support the initiative.

In the community

Each year, the ACA provides a comprehensive planning kit to help local organizers host successful events. Samples of successful events. Tips on timing. Suggestions on working with media. Templates for radio scripts, news releases and letters to the editor. The kinds of hands-on tools that help amplify the effectiveness of local efforts.

Ag Day Competitions Inspire the Future

Every year, Ag Day invites students across the nation to participate in competitions that celebrate the role of ag. Last year, more than 100 students participated. These contests include:

- Ag Day Essay Contest
- Ag Day Video Essay Contest
A National Day of Observance in Washington, D.C.

In addition to the myriad grassroots efforts, there are a series of Ag Day events held in Washington, D.C., that enable agriculture, as an industry, to take its message to Capitol Hill.

This effort, truly, spans the generations.

Student Hill Visits — Approximately 100 student representatives from FFA, 4-H, AFA and Student NAMA are awarded a trip to meet with congressional representatives and deliver the message of Ag Day.

National Press Club Breakfast — This event brings together representatives of ag media and industry leaders to publicly celebrate the amazing role of agriculture. The national Ag Day Essay Contest winner will be honored, and several public figures will take the podium.

Taste of Ag Celebration — Experience the flavors of ag at this special event featuring samplings from major commodity groups. Legislators, influencers and ag leaders will be invited to mingle and experience agriculture through delicious fare.

Additional Events — Several agriculturally-focused organizations hold events in the nation’s capital in conjunction with Ag Day.
For nearly 50 years, the Agriculture Council of America has promoted National Agriculture Day to celebrate the hard work and wholesome contributions of our country’s farms and farm families. This takes on increasing importance as the proportion of people with first-hand agricultural experience continues to decline.

Internet Traffic is Growing — In the months leading up to Ag Day, individuals involved in agriculture work with schools, clubs and other community organizations plan activities to celebrate agriculture. In the past five years alone, the number of Google searches for “Ag Day Events” has more than doubled.
Among a Flourishing Grassroots Community

Facebook impressions surge in the months leading up to Ag Day. 70% of reach is key purchaser demographic: women ages 25-54.

As a leader in the industry, you can take an active role in shaping the public’s perception of agriculture by being a part of Ag Day. Ag Day sponsors are involved in helping shape the event from the earliest planning stages each year.

Opportunities are limited, so act now.

To secure your position, visit agday.org or call ACA at (913) 491-1895.

Twitter impressions also surge in the months leading up to Ag Day. In March, the Ag Day profile receives nearly as many visits as in all other months combined.
