**Settlement Agreement Between Class  
Plaintiffs and Defendant Agri Stats, Inc.**

**UNITED STATES DISTRICT COURT  
FOR THE DISTRICT OF COLORADO**

RON BROWN, *et al.*,

Plaintiffs,

v.

JBS USA FOOD COMPANY, *et al.*,

Defendants.

CIVIL ACTION NO. 1:22-CV-02946

**SETTLEMENT AGREEMENT BETWEEN CLASS PLAINTIFFS AND  
DEFENDANT AGRISTATS, INC.**

Subject to the approval of the Court, this Settlement Agreement (“Settlement Agreement” or “Agreement”) is made and entered into as of the Execution Date, by and between Agri Stats, Inc. (“Agri Stats”), and Class Plaintiffs (as hereinafter defined), individually and on behalf of a Settlement Class (as hereinafter defined), through Interim Co-Lead Counsel for the proposed Settlement Class, and in the above-captioned action (the “Action”).

**RECITALS**

A. Class Plaintiffs are prosecuting the Action on their own behalf and on behalf of a putative litigation class. Class Plaintiffs and the putative litigation class are currently represented by Interim Co-Lead Counsel.

B. Class Plaintiffs have alleged, among other things, that Agri Stats entered into a contract, combination or conspiracy in restraint of trade, the purpose and effect of which was to suppress competition for labor and to allow Defendant Processors to pay sub-competitive compensation to hourly and salaried workers in its Red Meat Processing Operations (as defined below) in violation of Section 1 of the Sherman Act, 15 U.S.C. § 1.

C. Agri Stats denies all allegations of wrongdoing in the Action and believes it has numerous legitimate defenses to Class Plaintiffs' claims.

D. This Settlement Agreement shall not be deemed or construed to be an admission or evidence of any violation of any statute, law, rule, regulation, or consent decree or of any liability or wrongdoing by Agri Stats or its customers<sup>1</sup>, or of the truth of the Allegations or Claims (as those terms are defined below), nor shall it be deemed or construed to be an admission or evidence of Agri Stats's or its customers' defenses.

E. Interim Co-Lead Counsel have conducted an investigation into the facts and law regarding the Action and the possible legal and factual defenses thereto and have concluded that (1) a settlement with Agri Stats according to the terms set forth below is fair, reasonable, adequate, and beneficial to, and in the best interests of, the Settlement Class, given the uncertainties, risks, and costs of continued litigation; and (2) the Conduct Relief (as defined below) to which Agri Stats has agreed will benefit the Settlement Class and may reduce the substantial burden and expense associated with prosecuting the Action.

F. Despite Agri Stats's belief that it is not liable for and has strong defenses to the Claims (as defined below) asserted by Class Plaintiffs, Agri Stats desires to settle the Action to avoid the further expense, inconvenience, disruption, and burden of litigation and other present or future litigation arising out of the allegations that gave rise to this Action, to avoid the risks inherent in uncertain multi-year complex litigation and trial, and thereby to put to rest this controversy.

G. This Agreement is the result of arms'-length negotiations between Interim Co-Lead Counsel and Agri Stats Counsel conducted over several months.

---

<sup>1</sup> Without limitation, this provision applies to the entities subject to consent judgments with the United States in *U.S. v. Cargill Meat Solutions Corp.*, Civ. No. 22-cv-1821 (D. Md.).

H. The Settling Parties (as hereinafter defined) wish to preserve all arguments, defenses, and responses related to all claims in the Action, including any arguments, defenses, and responses related to any litigation class proposed by Class Plaintiffs in the event this Settlement Agreement fails to satisfy the conditions set out in Section II(C)(9) below.

I. The Settling Parties desire to fully and finally settle all actual and potential claims arising from or related to the conduct alleged in the Action, and to avoid the costs and risks of protracted litigation and trial.

**IT IS AGREED**, by and among the Settling Parties, that in consideration of the covenants, agreements, and releases set forth herein and for other good and valuable consideration, this Action and all Released Claims (as hereinafter defined) are finally and fully discharged, settled, and compromised as to the Agri Stats Released Parties (as hereinafter defined) and that this Action shall be dismissed in its entirety with prejudice as to Agri Stats subject to approval of the Court pursuant to Rule 23 of the Federal Rules of Civil Procedure, upon and subject to the following terms and conditions:

In the unforeseen event that Agri Stats resumes publication of pork processing reports in the future, Agri Stats agrees to make the below changes to those reports. Agri Stats agrees to the below changes specifically to resolve the Action, and neither this Settlement Agreement nor the below changes shall be construed as an admission or acknowledgment that Agri Stats will publish pork processing reports in the future. Agri Stats will inform Class Counsel within two weeks should it resume producing pork reports in the next five years.

2. **Cooperation.** Cooperation is a material term of this Settlement Agreement. Agri Stats’ obligation to cooperate under this paragraph shall, upon Class Plaintiffs’ request, include the following actions to the extent not already produced in the litigation:

a. Within 60 days of the signing of this Agreement, Agri Stats will produce to Class Plaintiffs structured data for the Swine Processing and Operations Profits books from 2008 to through the end of the Pork reports in June 2018. For purposes of this Settlement Agreement, the first number in the above list identifies an Agri Stats “report” whereas the alphanumeric characters and descriptions in parenthesis identify “data fields” in previously produced Agri Stats pork processing reports. In the unforeseen event that Agri Stats resumes publication of pork processing reports in the future, Agri Stats agrees that it will not re-add the plant-level data fields set forth above for subscribers other than the report recipient under a different numbering system, report, or mechanism for delivery to a report recipient, except as set forth in Exhibit A. For the avoidance of doubt, nothing in this Settlement Agreement prohibits or limits: (1) the inclusion of non-plant level data for the above data fields in Agri Stats’ pork processing reports; (2) the inclusion of plant-level data for any data field in the

pork processing reports that is not listed above; (3) the data fields included in proposed Agri Stats reports 4.2a, 4.3a, and 5.3a (templates of which are attached hereto as Exhibit A) with the exception of plant-level data fields identified in parenthesis above; (4) the renumbering or reordering of the reports or data fields set forth above; (5) subscriber disclosure of data to Agri Stats; or (6) Agri Stats' addition of new reports or services, so long as such reports or services incorporate corresponding restrictions to those set forth above. Nothing in this Settlement Agreement shall be construed as prohibiting Agri Stats from petitioning the Court for modification of the Conduct Relief for good cause shown.

a. This Section II(A) sets out the total scope of Agri Stats's Conduct Relief agreed to by the parties, and Agri Stats shall have no further obligations other than or beyond those set forth in this Section II(A).

**B. Release of Claims.**

1. The Release of Claims is a material term of this Settlement Agreement.
2. **Release.** Upon the Date of Final Judgment, each Releasing Party shall automatically and without further action by the Releasing Party completely release, acquit, and forever discharge the Agri Stats Released Parties through the Date of Final Judgment from any and all claims, demands, actions, suits, causes of action, whether class, private attorney general, qui tam, taxpayer, or any other capacity, direct or indirect, or in their individual capacity or otherwise in nature (whether or not any member of the Settlement Class has objected to the Settlement Agreement, whether directly, representatively, derivatively or in any other capacity) that the Releasing Party ever had, now has, or hereafter can, shall, or may ever have, on account of, or in any way arising out of, any and all known and unknown, foreseen and unforeseen, suspected or unsuspected, actual or contingent, liquidated or unliquidated claims, direct or indirect, injuries, losses, restitution, disgorgement, damages, and the consequences thereof that have been

asserted, or could have been asserted, in the Complaint or under any federal law or any state law in any way arising out of or relating in any way to the facts alleged in the Action or underlying conduct challenged in the Action, including without limitation, an alleged or actual conspiracy or agreement between any of the Defendants relating, directly or indirectly, to (a) the Compensation paid or provided to the Releasing Parties, directly or indirectly, by Defendants, alleged co-conspirators, their respective subsidiaries, affiliates, and/or related entities (including but not limited to reducing competition for the hiring and retaining of, or to fixing, depressing, restraining, exchanging information about, or otherwise reducing that Compensation); or (b) exchanging information regarding the Compensation paid or provided to the Releasing Parties (any one, some or all of such claims are referred to herein as the “Released Claims”). Notwithstanding the above, “Released Claims” do not include (i) claims asserted against any Defendant other than the Agri Stats Released Parties, and (ii) any claims that are both wholly unrelated to the allegations or underlying conduct alleged in the Action and based on breach of contract, negligence, personal injury, bailment, failure to deliver lost goods, damaged or delayed goods, product defect, discrimination, COVID-19 safety protocols, failure to comply with wage and hours laws unrelated to anticompetitive conduct, or securities claims. This reservation of claims set forth in (i) and (ii) of this paragraph does not impair or diminish the right of the Agri Stats Released Parties to assert any and all defenses or other bars to such claims (including but not limited to immunity and statute of limitations). The release of the Released Claims will become effective as to all Releasing Parties as of the Date of Final Judgment. As of the Date of Final Judgment, each Releasing Party further agrees that he or she or they will not file any other suit against the Agri Stats Released Parties arising out of or relating to the Released Claims.

3. **Covenant Not to Sue.** Upon the Date of Final Judgment, Class Plaintiffs and each Settlement Class Member covenant not to sue, directly or indirectly, or otherwise seek to establish liability against the Agri Stats Released Parties for any transaction, event, circumstance, action, failure to act, or occurrence of any sort or type arising out of or related to, the Released Claims, including, without limitation, seeking to recover damages or other relief relating to any of the Released Claims. This Paragraph shall not apply to any action to enforce this Settlement Agreement.

4. **Full Release.** The Settling Parties to this Agreement expressly agree and confirm that the release of the Released Claims as set forth in the provisions of Section II(B) shall constitute a full, final, and effective release of the Agri Stats Released Parties by the Releasing Parties of the Released Claims.

5. **Waiver.** In addition to the provisions of Section II(B)(2), the Releasing Parties hereby expressly waive and release, solely with respect to the Released Claims, upon the Date of Final Judgment, any and all provisions, rights, and benefits conferred by Section 1542 of the California Civil Code, which states:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, IF KNOWN BY HIM OR HER, WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY;

or by any law, regulation or rule of any state or territory of the United States, or principle of common law, which is similar, comparable, or equivalent to Section 1542 of the California Civil Code. Each Releasing Party may hereafter discover facts other than or different from the claims and Allegations in the Complaint, or otherwise different from those which he, she, they or it knows or believes to be true with respect to the claims which are released pursuant to the provisions of

Section II(B)(2), but each Releasing Party hereby expressly waives and fully, finally, and forever settles and releases, upon the Date of Final Judgment, any known or unknown, suspected or unsuspected, contingent or non-contingent, claim that the Releasing Parties have agreed to release pursuant to Section II(B)(2), whether or not concealed, or hidden, without regard to the subsequent discovery or existence of such different or additional facts.

**C. Approval of Settlement Agreement and Dismissal of Claims.**

1. **Effectuating the Settlement.** Class Plaintiffs and Agri Stats shall cooperate in good faith and use their best efforts to effectuate this Settlement Agreement, including cooperating in seeking the Court's approval of the Settlement Agreement without modification of any of its material terms and conditions, providing appropriate Settlement Class Notice under Federal Rules of Civil Procedure 23, and seeking the complete and final dismissal with prejudice of the Action as to Agri Stats.

2. **Settlement Class Certification.** Class Plaintiffs shall seek, and Agri Stats shall take no position with respect to, the appointment of Interim Co-Lead Counsel as Settlement Class Counsel for purposes of this Settlement and the certification in the Action of a class for settlement purposes only, referred to herein as the Settlement Class, which shall include Class Plaintiffs and be defined as:

The following persons and entities are excluded from the Settlement Class: complex managers, plant managers, human resources managers, human resources staff, office clerical staff, guards, watchmen, and salespersons of the Defendants, alleged co-conspirators, and any of their subsidiaries, predecessors, officers, or directors; and federal, state or local governmental entities.

3. **Preliminary Approval.** No later than thirty (30) business days after the Execution Date, Class Plaintiffs shall submit to the Court a motion requesting entry of an order preliminarily approving the settlement (Preliminary Approval Order). The Settling Parties may delay the filing of Preliminary Approval by mutual agreement. At a reasonable time in advance of submission to the Court, the papers in support of Preliminary Approval, which shall include the proposed form of an order preliminarily approving this Settlement Agreement, shall be provided by Interim Co-Lead Counsel to Agri Stats's Counsel for its review. Agri Stats shall not oppose and shall reasonably cooperate in such motion, subject to the provisions below. The proposed Preliminary Approval Order shall provide that, *inter alia*:

a. the settlement proposed in the Settlement Agreement has been negotiated at arm's length and is preliminarily determined to be fair, reasonable, adequate, and in the best interests of the Settlement Class;

b. after Settlement Class Notice has been carried out, a hearing on the settlement proposed in this Settlement Agreement shall be held by the Court to determine whether the proposed settlement is fair, reasonable, and adequate, and whether it should be finally approved by the Court (the "Fairness Hearing");

c. Settlement Class Members who wish to object to this Agreement must submit an appropriate and timely written statement of the grounds for objection;

d. Settlement Class Members who wish to appear in person to object to this Agreement may do so at the Fairness Hearing pursuant to directions by the Court; and

e. all proceedings in the Action with respect to Agri Stats and Class Plaintiffs are stayed until further order of the Court, except as may be necessary to implement the settlement reflected in this Settlement Agreement or comply with the terms thereof.

4. **Settlement Class Notice.** The Settlement Class Notice shall also provide for a right to object to the proposed Settlement. Individual notice of the Settlement to all Settlement Class Members who can be identified through reasonable effort shall be emailed to the Settlement Class in conformance with a notice plan to be approved by the Court. Interim Co-Lead Counsel will undertake all reasonable efforts to notify potential Settlement Class Members of the settlement. The timing of a motion to approve notice to the Settlement Class of this Settlement Agreement (“Notice Motion”) shall be in the discretion of Interim Co-Lead Counsel. The Notice Motion shall include a proposed form of, method for, and date of dissemination of notice.

5. **Cost of Settlement Class Notice.** Settlement Class Notice will be joined with the notice of other settlements with the Processor Defendants.

6. **CAFA Notice.** Within ten days of the filing of the motion for Preliminary Approval, Agri Stats will provide to the appropriate state officials and the appropriate federal official the notice required by the Class Action Fairness Act of 2005, 28 U.S.C. § 1715(b) (“CAFA”).

7. **Final Approval.** If this Settlement Agreement is preliminarily approved by the Court, the Settlement Class shall seek entry of an Order and Final Judgment, which Agri Stats shall not oppose, and on which the Settling Parties shall reasonably cooperate, that, *inter alia*:

a. certifies the Settlement Class described in Section II(C)(2) above, pursuant to Rule 23 of the Federal Rules of Civil Procedure, for purposes of this settlement as a settlement class;

b. finally approves this Settlement Agreement and its terms as being a fair, reasonable, and adequate settlement as to the Settlement Class Members within the meaning of

Rule 23 of the Federal Rules of Civil Procedure and directing its consummation according to its terms and conditions;

c. determines that the Settlement Class Notice constituted, under the circumstances, the most effective and practicable notice of this Settlement Agreement and the Fairness Hearing, and constituted due and sufficient notice for all other purposes to all Persons entitled to receive notice;

d. confirms that Agri Stats has provided the appropriate notice pursuant to CAFA;

e. orders that Agri Stats, and all claims made against Agri Stats in the Action, including in all class action complaints asserted by Class Plaintiffs, are dismissed with prejudice and without further costs or fees;

f. discharges and releases the Agri Stats Released Parties from all Released Claims;

g. enjoins Class Plaintiffs and all Settlement Class Members from suing, directly or indirectly, any of the Agri Stats Released Parties for any of the Released Claims;

h. incorporates the release set forth in Section II(B) of this Agreement and makes that release effective as of the Effective Date as to the Class Plaintiffs and all Settlement Class Members;

i. determines under Federal Rule of Civil Procedure 54(b) that there is no just reason for delay and directs that the judgment of dismissal as to Agri Stats shall be final and entered forthwith, and stating:

- i. Final judgment as to the Action is entered in favor of Agri Stats; and
- ii. Final judgment is granted in favor of the Agri Stats Released Parties on any Released Claim of a Settlement Class Member.

j. reserves to the Court exclusive jurisdiction over the settlement and this Settlement Agreement, including the administration and consummation of this Agreement.

8. **Class Counsel Fees and Expenses; No Other Costs.** Agri Stats shall have no responsibility for any other costs, including Interim Co-Lead Counsel's attorneys' fees, costs, and expenses or the fees, costs, or expenses of any Plaintiff's or Class Member's respective attorneys, experts, advisors, or representatives, provided, however, that with respect to the Action, including this Settlement Agreement, Agri Stats shall bear its own costs and attorneys' fees.

9. **When Settlement Becomes Final.** The settlement contemplated by this Settlement Agreement shall become final on the Date of Final Judgment.

10. **Termination and Reduction.** If the Court declines to grant either preliminary or final approval to this Settlement Agreement or any material part hereof (as set forth in Sections II(C)(3) or (C)(7) above, respectively), or if the Court approves this Settlement Agreement in a materially modified form, or if after the Court's approval, such approval is materially modified or set aside on appeal, or if the Court does not enter the Order and Final Judgment, or if the Court enters the Order and Final Judgment and appellate review is sought and on such review such Final Order and Judgment is not affirmed (collectively, "Triggering Events"), then Agri Stats and Class Plaintiffs shall each, in their respective sole discretion, have the option to rescind this Settlement Agreement in its entirety by providing written notice of their election to do so ("Termination Notice") to each other within thirty (30) calendar days of any such Triggering Event. For purposes of this Section II(C)(10), a material modification includes but is not limited to any modification to the Conduct Relief provision, scope of the Settlement Class definition, or the scope of the Released Claims. If rescinded or terminated, this Settlement Agreement shall become null and void.

11. **No Admission.**

a. Agri Stats denies all allegations of wrongdoing in the Action. Nothing in this Settlement Agreement constitutes an admission by Agri Stats as to the merits of the allegations made in the Action or any other admission of wrongdoing of any type, or an admission by Class Plaintiffs or the Settlement Class of the validity of any defenses that have been or could be asserted by Agri Stats. The Parties agree they will not disparage one another or their claims or defenses in connection with the Action, such as by making public statements to the media that disparage either of the Parties or their conduct in connection with the Action.

b. This Settlement Agreement, and any of its terms, and any agreement or order relating thereto, shall not be deemed to be or offered by any of the Settling Parties to be received in any civil, criminal, administrative, or other proceeding, or utilized in any manner whatsoever as, a presumption, a concession, or an admission of, or prima facie evidence, or any evidence, of any fault, wrongdoing, violation of law or liability whatsoever on the part of Agri Stats or other Agri Stats Released Parties; provided, however, that nothing contained in this Section II(C)(11) shall prevent this Settlement Agreement (or any agreement or order relating thereto) from being used, offered, or received in evidence in any proceeding to approve, enforce, or otherwise effectuate the settlement (or any agreement or order relating thereto) or the Order and Final Judgment, or in which the reasonableness, fairness, or good faith of any Settling Party participating in the settlement (or any agreement or order relating thereto) is in issue, or to enforce or effectuate provisions of this Settlement Agreement or the Order and Final Judgment. This Settlement Agreement may, however, be filed and used in other proceedings, where relevant, to demonstrate the fact of its existence and of this settlement, including but not limited to Agri Stats filing the Settlement Agreement and/or the Order and Final Judgment in any other action that may be brought against it in order to support a defense or counterclaim based on principles of res

judicata, collateral estoppel, release, good faith settlement, waiver, judgment bar or reduction, or any other theory of claim preclusion or issue preclusion or similar other defense or counterclaim that the Settlement Agreement might support.

12. **Litigation Standstill.** Class Plaintiffs shall cease all litigation activities against Agri Stats in the Action except to the extent expressly authorized in this Settlement Agreement. Agri Stats and Agri Stats's Counsel shall cease all litigation activities against Class Plaintiffs in the Action. As is necessary to effectuate this Agreement, Class Plaintiffs will continue to name Agri Stats as a Defendant in any amended complaint filed in the Action before the Date of Final Judgment. Provided, however, that in any such amended complaint or otherwise, Class Plaintiffs will not assert (or assist any other persons in asserting) any claims against any of the Agri Stats Released Parties other than the claims asserted in the operative complaint as of the date this Settlement Agreement is executed, which claims would be released as of the Effective Date.

### **III. MISCELLANEOUS**

#### **A. Entire Agreement.**

This Settlement Agreement shall constitute the entire, complete, and integrated agreement between the Settlement Class and Agri Stats pertaining to the settlement of the Action against Agri Stats and the release of the Agri Stats Released Parties from the Released Claims and supersedes any and all prior and contemporaneous undertakings of the Settlement Class and Agri Stats in connection therewith. All terms of the Settlement Agreement are contractual and not mere recitals.

#### **B. Inurement.**

The terms of the Settlement Agreement are and shall be binding upon and inure to the benefit of, to the fullest extent possible, each of the Releasing Parties and the Agri Stats Released Parties, and upon all other Persons claiming any interest in the subject matter hereto through any

of the Settling Parties, Releasing Parties, or Agri Stats Released Parties, including any Settlement Class Members.

**C. Modification and Waiver.**

This Settlement Agreement may be modified or amended only by a writing executed by the Class Plaintiffs (through Interim Co-Lead Counsel) and Agri Stats, subject (if after Preliminary or Final Approval) to approval by the Court. Amendments and modifications may be made without notice to the Settlement Class unless notice is required by law or by the Court. The waiver of any rights conferred hereunder shall be effective only if made by written instrument of the waiving Party.

**D. Drafted Mutually.**

For the purpose of construing or interpreting this Settlement Agreement, the Settlement Class and Agri Stats shall be deemed to have drafted it equally, and it shall not be construed strictly for or against any party.

**E. Governing Law & Jurisdiction.**

Any disputes relating to this Settlement Agreement shall be governed by and interpreted according to the substantive laws of the state of Colorado without regard to its choice of law or conflicts of law provisions. Subject to Court approval, the United States District Court for the District of Colorado shall retain jurisdiction over the implementation, enforcement, performance, or modification of this Settlement Agreement and shall have exclusive jurisdiction over any suit, action, proceeding, or dispute arising out of or relating to this Settlement Agreement or the applicability of this Settlement Agreement that cannot be resolved by negotiation and agreement by Class Plaintiffs and Agri Stats.

**F. Counterparts.**

This Settlement Agreement may be executed in counterparts by Interim Co-Lead Counsel and Agri Stats's Counsel, each of which shall be deemed an original and all of which taken together shall constitute the same Settlement Agreement. A facsimile or .pdf signature shall be deemed to be as valid as any original signature for purposes of executing this Settlement Agreement.

**G. Represented by Counsel.**

Class Plaintiffs, the Settlement Class, and Agri Stats acknowledge that each have been represented by counsel and have made their own investigations of the matters covered by this Settlement Agreement to the extent they have deemed it necessary to do so and are not relying on any representation or warranty by the other party other than as set forth herein. Therefore, the Settling Parties and their respective counsel agree that they will not seek to set aside any part of the Settlement Agreement on the grounds of mistake. The Settling Parties agree that this Settlement Agreement was negotiated in good faith by the Settling Parties and reflects a settlement that was reached voluntarily after consultation with competent counsel, and no Settling Party has entered this Settlement Agreement as the result of any coercion or duress.

**H. Authorization.**

Each of the undersigned attorneys represents that he, she, or they are fully authorized to enter into and execute this Settlement Agreement, subject to Court approval; the undersigned Interim Co-Lead Counsel represent that they are authorized to execute this Settlement Agreement on behalf of Class Plaintiffs; and the undersigned Agri Stats's Counsel represent that they are authorized to execute the Settlement Agreement on behalf of Agri Stats.

**I. Privilege and Confidentiality.**

1. Nothing in this Settlement Agreement, settlement, or the negotiations or proceedings relating to the foregoing is intended to or shall be deemed to constitute a waiver of

any applicable privilege or immunity, including, without limitation, the accountants' privilege, the attorney-client privilege, the joint defense privilege, or work product immunity.

2. The Settling Parties agree to continue to maintain the confidentiality of all settlement discussions and materials exchanged during the settlement negotiations. Prior to the filing of the motion for Preliminary Approval, the Settling Parties may disclose the fact of the settlement and the Conduct Relief provided for in Section II(A) of this Settlement Agreement to other parties in the Action and to the United States through the DOJ.

**J. No Unstated Third-Party Beneficiaries.**

No provision of this Agreement shall provide any rights to, or be enforceable by, any Person that is not a Agri Stats Released Parties, Class Plaintiff, Settlement Class Member, or Interim Co-Lead Counsel, Agri Stats Counsel.

**K. Breach.**

This Agreement does not waive or otherwise limit the Settling Parties' rights and remedies for any breach of this Agreement. Any breach of this Agreement may result in irreparable damage to a Party for which such Party will not have an adequate remedy at law. Accordingly, in addition to any other remedies and damages available, the Settling Parties acknowledge and agree that the Settling Parties may immediately seek enforcement of this Settlement Agreement by means of specific performance or injunction, without the requirement of posting a bond or other security. The waiver by any Party of any particular breach of this Agreement shall not be deemed or construed as a waiver of any other breach, whether prior, subsequent, or contemporaneous, of this Agreement.

**L. Notice.**

Other than Settlement Class Notice, any notice required pursuant to or in connection with this Settlement Agreement shall be in writing and shall be given by: (1) hand delivery;

(2) registered or certified mail, return receipt requested, postage prepaid; or (3) UPS or similar overnight courier, addressed, in the case of notice to any Plaintiff or Settlement Class Member, to Interim Co-Lead Counsel at their physical addresses set forth below, with a copy by email at the email addresses set forth below and, in the case of notice to Agri Stats, to its counsel at their physical addresses set forth below, with a copy by email at the email addresses set forth below, or such other physical or email addresses as Agri Stats Counsel or Interim Co-Lead Counsel may designate, from time to time, by giving notice in the manner described in this Section III(L).
